When admin click the “Add” button

The form is titled "User Profile" and is enclosed in a green border. At the top left is a "Logo" box. To its right are "Hotel Name" and "City" boxes. Further right is an "Admin" box with a circular icon. The main content area contains a vertical list of labels: "User_Id", "User_Name", "NIC", "Gender", "Address", "Age", and "Category". Each label is followed by a green rectangular input field. At the bottom center is a blue "Sign Up" button. A close button (X icon) is in the top right corner.

To delete a profile first admin should select each employee’s check box and then select “Delete” button. After that system shows a message to confirm it.

The dialog is titled "Delete Selected Profile" and is enclosed in a green border. It contains a text box with the message "If you want to delete this profile? Please confirm it." Below the text box are two blue buttons: "Yes" and "No". A close button (X icon) is in the top right corner.
